CST Storage celebrates Employee Appreciation Day during company's 40th Year in Parsons, Kan.

PARSONS, Kan. (Oct. 25, 2012) – On Saturday, Oct. 13 more than 325 CST Storage employees and their families attended an Employee Appreciation Day celebration held at Parsons High School. Even the rain didn't stop employees from enjoying several activities inside the school, including lunch, games, inflatables for kids, a dunking booth for employees to dunk managers, a BBQ contest and the Frank Beard Memorial Horseshoe Tournament. Prizes awarded throughout the day included a TV, grills, paid vacation days, sporting tickets, a Branson vacation, bicycles and more. This year the manufacturer is celebrating its 40th year in Parsons located at 2101 S. 21st Street.

CST gave special recognition to its 30+ year employees, as well as the family of Frank Beard, an employee who passed away this year and after whom the horseshoe tournament was named. CST also sponsored a wellness fair, which included Labette Health's Wellness Booth, The Parsons Fire Department's fire truck, the Labette Community College's Dental Hygiene Booth and Kids' ID Kits provided by the Parsons Police Department.

About CST:

Located at 2101 S. 21st Street in Parsons since 1971, CST Storage is the world's largest provider of modular, bolted storage tanks. CST Storage manufactures the leading tank coating technologies in the industry providing both glass-fused-to-steel porcelain enamel (Dekalb, Ill.) and a proprietary cured epoxy system (Parsons, Kan.). CST's global network includes manufacturing facilities and technical design centers located in Kansas, Tennessee, Illinois, Texas, California, Georgia and the United Kingdom. Regional sales offices are located throughout North America and in Mexico, Argentina, United Kingdom, Dubai, Singapore and Vietnam. For additional information please contact Tiffany Jarman at CST Storage in Parsons at (620) 421-0200 or at tjarman@cst-storage.com.
